Safari by ATV to Rodnik (spring), 1 day

The route begins from the base «ORCA» (not far from the ski base «Lesnaya»), passes along the other popular route «Health» and leads to the picturesque spring. At first, a group will go along an old tank route, and then it will turn to the forest road plunging in silence and calmness of birch forest. The goal of the trip is the beautiful place: a small glade in the center of which lots of clear – healthy –tasty water springs come out. There will be a stop for a picnic in that place, the participants will have rest and gain strength before going back. You will have a chance to admire the beauty of Kamchatka forest and take a breath from city bustle.
