Excursion to the ethnic settlement «Kainyran» + swimming in thermal water, 1 day

«Kainyran», translated from the Koryaksky language, means «the home of a bear» («kainyn» – a bear; «ran» – a home). You will have a chance to see with your own eyes the way of living of Kamchatka indigenous people in the settlement Kainyran, which is located in Elizovo region.

You will have a real wild holiday. Away from city bustle you will charge yourself with new energy, will admire a calm and pristine nature of Kamchatka. Local aborigines will entertain you presenting their tribal dances, showing the scenes from the hunter's life, doing tribal dance master-classes, singing songs, and playing the jew's harp. Traditional clothing will warm you up and the taste of Koryaksky tea, made of various herbals, will never fade in your memory. The local shaman will tell you the stories and legends about the ancient people.

You will also have an opportunity to get acquainted with incredible animals – horses; and later you will swim in radonic springs called «Zelenovskiye ozerki».
